

Donna Ferenc-McGorty has enjoyed a rewarding career in financial leadership, management and accounting, that all began with her earning an Associate's Degree in Accounting from the University of New Hampshire. Moving forward, Donna went on to add a Bachelor of Science Degree in Accounting from the University of Maine which was followed by a Master's in Public Administration; also from the University of Maine. She later returned to the University of Maine, as an Adjunct Professor, teaching at the graduate level for the school's Public Administration program.

Previous to her position at the Good Will-Hinckley School, Donna spent a number of years as the Chief Financial Officer and Director of Operations at the Maine Central Institute in Pittsfield. The foundation of which was a number of finance and accounting positions in both for profit and non-profit sectors , leading to a series of ever increasing responsibility with the State of Maine, culminating in her role as the Director of the Office of Audit for Maine's Department of Transportation.

Donna is a Maine State Notary Public, a member of the Society of Human Resource Management, the National Honors Society and a past member of the Institute of Internal Auditors and the Association of Government Accountants; serving as their President.

Donna began a lifelong commitment to community service as a high school student in Japan, tutoring English to Japanese junior high and high school students at Johnson Air Force Base High School. Over the years, she has served as a member of the Education Committees for the City of Augusta's Master Planning process, for the Kennebec Valley Medical Center Health Outreach Program and more recently as a member of the Somerset County Animal Response Team. In addition, she served for many years as a board member for the Kennebec Valley Humane Society and the Maine Hospice Council.
